

SOCIAL VIDEOGRAPHER

AMSTERDAM

The Company:

9024 Media is a social agency, specializing in connecting athletes and brands. We pride ourselves in producing industry leading content as an in-house creative team. We have offices in both Amsterdam and London, this role will be based in Amsterdam.

The role:

We are looking for a socially focused videographer who is passionate about creating attention grabbing video and animated-led social assets. This position requires someone who lives and breathes social content, following the latest trends and formats. It's crucial you are confident turning around content against short deadlines. Ideally, you'll be equally comfortable working with the wider creative team, while also taking your own initiative to deliver projects.

Responsibilities:

- Concepting, producing, and executing content for athletes and brands
- Confident managing productions & directing on location
- Push boundaries with new styles and techniques
- Creating social assets to best practice standards – e.g., understanding of the most effective techniques and formats for social success
- Ensuring all edits are completed in a timely manner to meet regular tight deadlines
- Working directly with the London team on a range of projects

Experience, Skills & Qualifications:

- 3+ years proven experience as a video creator, with a particular social/sport focus
- Strength in producing and directing video shoots
- Excellent understanding of Premiere Pro and After Effects
- Knowledge of the wider Adobe creative suite
- Confident shooter, particularly with Sony systems (A7S, FS5)
- Excellent communication skills, able to see potential challenges and offer creative solutions in a fast-paced environment
- Able to manage both internal and client feedback
- A desire to continue to learn and develop their skills
- A strong passion for the work and sport

Please send a short intro, CV and showreel on application.

To apply send your CV and cover letter to career@9024media.com with the subject field: 'Social Videographer application'
