**Term:** 4 months – to permanent

**Department:** Content Team

**Location:** Amsterdam

**Hours of work:** 9am-5pm

**Application closing date:** 8<sup>th</sup> October

**Language spoken:** English essential, Dutch desirable

### Who are 9024?

9024 Media are digital sports experts who understand the power of social, commercial and e-commerce. We build connections between brands and audiences via our elite male and female athletes or our commercial brand clients. We work with our clients directing and developing their unique brands and leveraging their reach and influence. We pride ourselves on telling powerful and engaging stories across multiple passion points and formats

### The Role

We are looking for a Digital Content Creative who is an organized and motivated individual with a passion for sport and editing.

The position requires someone with at least 1-2 + years' experience, ideally from an agency.

Your role as Digital Content Creative will be to deliver edited video content projects, working to short deadlines, working individually and with the wider teams. Helping to create best in class content for 9024 athletes, brand campaigns and everything in between.

### Responsibilities:

- Video editing social content for athletes and brands
- Confident showing creative flair and showcasing techniques
- Ensuring all projects are completed in a timely manner to meet tight deadlines
- Staying on top of industry developments keeping 9024 content fresh and on trend
- Reporting to Head of Creative in London
- Snr Video Editor at 9024 will allow huge opportunity to learn and be mentored by them

### Core Skills

- 1-2+ years' experience
- Ideally an agency environment, particularly in sport/social focus
- Proficient with Premiere Pro, Photoshop, Illustrator, After Effects
- Must be comfortable editing and retouching images at speed
- An understanding of photo, video, and audio editing
- Experiencing sourcing music, sound effects, stock photos and stock videos
- Excellent communication skills, able to see potential challenges and offer creative solutions in a fast-paced environment
- A good understanding of social and athletes on social platforms
- A desire to continue to learn and develop their skills.

- Excellent spoken and written English.

### **A snapshot of 9024 projects**

- Commercial shoots with the likes of Neymar/Robin van Persie/Juan Cuadrado/Ivan Rakitic
- Snapshot of brands we work/have worked with: Netflix/Playstation/Nestle/Wow Hydrate/Beats/Booking.com/Wish
- Community management for the Red Bull Neymar jnr 5's tournament for the past three years
- Chelsea FC – Social media education programme with U18s, U23s and Chelsea women's team
- Player portfolio of 20 athletes
- Merchandise/clothing/product ranges for Robin Van Persie, Depay and others.

### **What we offer to you**

- A beautiful working space based in the town centre of Amsterdam overlooking the canals and close to all the Amsterdam hotspots
- Work with world-class sport talents and influencers
- Flexible working hours divided between the Amsterdam office and your home
- Catered lunch when in the office
- Travel opportunities and opportunity to spend time in our London office
- Frequent company and team outings
- Mac Laptop
- Mobile phone allowance
- Travel allowance
- Employee Assistance Programme
- Salary - €22k
